Want to connect with other Dads and learn about resources for you and your family?

Dads Uplifting Dads is a weekly group where fathers can gather virtually to talk about the ups and downs of fatherhood, share resources, and network with other dads. The group is **free** and open to any father anywhere!

This group is facilitated by David Lewis, business owner, educator, and father. David is a certified Emotional Intelligence specialist and certified trainer for Stephen Covey's *7 Habits of Highly Successful People*. David is dedicated to helping others and hosts a weekly radio show on the topic of financial literacy. David's most cherished pastimes include traveling and spending time with his family.
