PERIODIC PERFORMANCE REPORT

Periodic Performance Report (PPR) Instructions

The Periodic Performance Report (PPR) is a standard, uniform statewide performance progress reporting format used by all state agencies to collect performance information from recipients of state grant awards. Unless statutorily exempt as documented in the Catalog of State Financial Assistance and the Grant Agreement (UGA), all grant awards are subject to periodic performance reporting.

General instructions for completing the PPR are contained below. **PLEASE READ ALL INSTRUCTIONS BEFORE COMPLETING THE PPR.** Please contact the state agency's points of contact specified in the "State Agency Contacts" section of your UGA if additional support is needed completing the PPR.

If the UGA specifies an alternative file or external database for grant performance reporting, the grantee should mark the shaded box in the PPR accordingly. In the *File Name or Database Source* field, enter the name of the alternative file or database utilized. The grantee is not required to complete Sections 14 - 22 if the information is provided in an alternative format specified in the UGA.

Report Submission

1. The grantee must submit the PPR cover page and any forms required by the awarding state agency as specified in the UGA.
2. The PPR must be submitted to the attention of the state agency's points of contact specified in the "State Agency Contacts" section of your UGA in accordance with the requirements established in the award document.
3. If additional space is needed to support the PPR, supplemental pages should be attached. As indicated on the PPR, responses to Sections 14 - 22 may be provided in a separate format. If additional pages are provided, the pages should be numbered and must reference:
 - a. Grant number
 - b. Grantee organization
 - c. DUNS number
 - d. FEIN
 - e. Period covered by the PPR

Reporting Requirements

1. Unless statutorily exempt as documented in the Catalog of State Financial Assistance and the UGA, all grant awards are required to submit a PPR in accordance with the terms established in the UGA.
2. The frequency of the PPR is specified in the Notice of Funding Opportunity (NOFO) and the UGA. The PPR must be submitted within the specified time frames. A submittal will be considered "late" if it is more than 15 calendar days past the due date or the date specified by the State agency's JCAR Rules (including approved extensions.)
3. Under the terms of the Grant Funds Recovery Act (30 ILCS 705/4.1), "Grantor agencies may withhold or suspend the distribution of grant funds for failure to file requirement reports." If the report of more than 30 calendar days delinquent, without any approved written explanation by the grantee, the entity will be placed on the Illinois Stop Payment List. (Refer to the Grantee Compliance Enforcement System for detail about the Illinois Stop Payment List: <https://www.illinois.gov/sites/GATA/Pages/ResourceLibrary.aspx>.)
4. A final PPR shall be required at the completion of the grant award. For final PPRs, the reporting period end date shall be the end date of the project / grant period.
